

## INSTINCT® Private Lessons Programs

Work one-on-one with a certified, veterinarian-recommended trainer or behavior consultant!

Instinct Private Lessons programs are a fantastic option for owners who are very interested in the training process, and who have the time to devote to daily training sessions with their dog. We offer 3-hour and 6-hour instruction programs, both in your home (Manhattan or Brooklyn) and at our training facility.

### INSTINCT Private Lessons Programs can help with...

#### Puppies Development

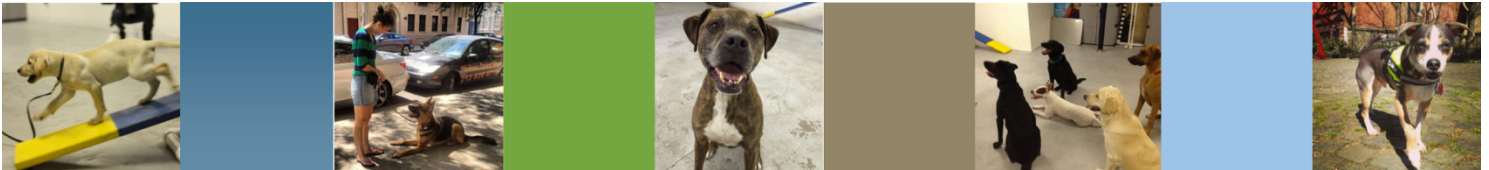

- Socialization
- Intro to a crate
- House training guidance
- Intro to puppy obedience cues
- Intro to a leash & harness
- Comfort with handling

#### Obedience & Manners

- Obedience training
- Coming when called
- Polite greetings
- Leash walking skills
- Staying/settling in place
- ...and more!

#### Behavior Modification

- On-leash reactivity issues
- Aggressive or fearful behavior toward people or dogs
- Separation anxiety
- Resource Guarding
- ...and more!
