## Get Help with:

### Puppy Development

- Socialization
- Comfort with handling
- Comfort with confinement
- "Home Alone" practice
- Body awareness

### Life Skills/Manners

- Intro to a crate
- Leash walking
- Basic manners
- Coming when called
- Settling skills

### Behavior Issues

- Separation issues
- Confinement issues
- Signs of fear/anxiety
- Confidence around dogs
- Excessive nipping

Puppy Camps allow us to lay a fantastic foundation for skills, manners, socialization & daily routines. That said, it is important to remember that puppies are still babies! They have so much to learn about the human world in which they live. Puppies will not return from puppy camp fully potty trained or perfectly 'obedient'.
