

ADOLESCENT SOCIALS

Program & Pricing

Join us for Instinct's adolescent socials, a fun and supportive environment where your growing pup can develop essential skills for the "teenage" stage of life. Certified trainers will guide the sessions, using positive methods to help your dog practice settling in public and greeting other dogs. It's a great chance for both pups and parents to learn and grow together! Join us for fun & learning on Sundays!

Adolescent Socials

45 minute session

\$40

per session

Program Suitability

Every Sunday, our adolescent socials will take place at 11am and 12:30pm. Each session is 45 minutes long, with a maximum of 5 dogs, for pups aged 18 weeks to 8 months. Trainers Emily & Kirah will lead the sessions, with pet parents required to attend with their dogs - these socials are fun and educative for people too!

Pups must be comfortable in small groups of up to five dogs and not reactive or aggressive towards other dogs or people.
