PRIVATE COACHING

How it Works

Your certified trainer or behavior consultant will meet with you one-on-one to coach you through every step of a custom training plan. All exercises and recommendations are tailored to your goals as well as your dog's behavior profile and your unique environment.

Get help with:

Puppy Development

- Socialization
- Intro to a crate
- Comfort with alone time
- Potty training guidance
- Puppy skills & manners
- Nipping & mouthing

Life Skills/Manners

- Leash walking
- Settling/staying in place
- Coming when called
- Impulse control
- Polite greetings
- Canine Good Citizen prep

Behavior Issues

- Leash reactivity
- Fearful & aggressive behavior
- Dog-dog issues
- Resource guarding
- Separation anxiety

All Private Coaching programs include the following support:

Personalized Coaching App

Stay connected with your trainer & get timely feedback via your personalized, Collaborative Coaching Trello board

Alumni Facebook Community

Share successes and get support from our trainers & other Instinct clients as you navigate your training journey.

Free Alumni Classes (Coming Soon!)

Participate in free, alumni-only group classes & continue to build your skills long after your initial program ends.

Weekly Trainer Q&A Sessions

Get additional insight from our most experienced behavior consultants during weekly drop-in Q&A sessions.
